

“Santa Run Silicon Valley”

2017 Marketing Text Examples

Full Description

Join us on Sunday, December 17th for the sixth annual “Santa Run Silicon Valley,” an event in downtown San Jose benefiting our favorite holiday traditions and community programs: Christmas in the Park, Downtown Ice and Reading Partners.

The “Santa Run Silicon Valley” was created by the Silicon Valley Leadership Group Foundation to raise funds for these cherished holiday programs after municipal funding was eliminated. Now in its sixth year, the “Santa Run Silicon Valley” not only provides valuable monetary contributions to these programs so they can be experienced by future generations, but also hosts a book drive for Reading Partners. This literacy program is a treasured community resource for children to learn the fundamental reading skills they need to succeed in school and beyond.

The “Santa Run Silicon Valley” is a 5K Run/Walk that includes a Kids Fun Run, costume contest and book drive. Dress up as your favorite holiday character or tradition for the costume contest. Bring your favorite kids books to donate to the book drive. Kids, parents, and grandparents alike will enjoy the festive displays, decorated trees, and live entertainment provided by Christmas in the Park.

Downtown Ice, Christmas in the Park and Reading Partners provide valuable resources for Bay Area families every holiday season. Make a contribution to keep all that they have to offer alive for years to come by signing up for the 2017 Santa Run. Learn more and register at: santarunsv.com
